Sea view City view

Coffee machine

Proximity +

GENERATE FLOOR PLAN

Nodes are randomly populated on the floor plan because there is no proximity logic yet

Coffee machine

Proximity +

GENERATE FLOOR PLAN

Now, we start defining the proximity to amenities and other constraints.

ZONES > ORGANIZATION

Nodes

- Common
- Engineering
- Sales & CS

Adjacency

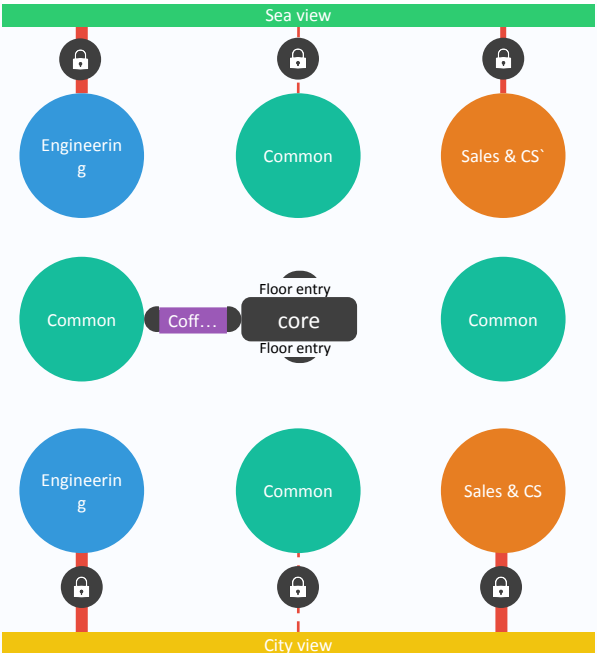

Amenities constraints

- Sea view
- City view
- Coffee machine

Proximity

- 0 - 1m
- 1 - 5m
- 5 - 10m
